4. ARE YOU CHARGING ANY MONEY?

WHY WOULD I? NO NEED TO GIVE any $ to anybody, just follow this method. 🤝

5. IS THIS A SAFE METHOD?

100% safe method, as long as you don't crash the library servers by creating 1000s of accounts 😃

FOLLOW THIS METHOD:

1. VPN For Safety (USE ANY FREE VPN, if you are able to use AUS Server, that would be great)
2. Visit **https://www.slq.qld.gov.au/** and click on **Catalogue login** (On the top right)
3. On One Search Login Page, Click on Register, it will take you to this link: **https://www.slq.qld.gov.au/get-involved/become-member**
4. Click on " **BECOME A MEMBER** "
5. You'll be redirected to this website: **https://patron.slq.qld.gov.au/Register**
6. Now open this website on another tab:-**https://www.fakeaddressgenerator.com/World/au_address_generator**
7. On Register Form, Enter your details:
   Username, Password, Name (can be your name).etc
   IMPORTANT: *IT IS VERY IMPORTANT TO* ✅ *TICK the box under I Live In Queensland IF YOU FORGOT THIS, YOU won't BE ABLE TO CREATE THE ACCOUNT. (That's what I have found)*
8. On Residential Address Search: Make sure when you enter the address from the random address generator site, it should automatically show some random address through the dropdown.

   Note: a Queensland residential address is required.

   67 Tanner Street

   67 TAABINGA ST WAVELL HEIGHTS QLD 4012

   67 TADORNA ST NARANGBA QLD 4504

   67 TAIT RD AIRVILLE QLD 4807

   67 TALBOT DR GREENBANK QLD 4124

   67 TALINGA DR PARK RIDGE QLD 4125

   CHOOSE ANY ADDRESS from the list.
9. on the Email ID section: ENTER YOUR EMAIL ID, avoid using a randomly generated one if you do not want to lose the random email ID, it's better to use your own email ID here.
10. Click on Submit.

11. You'll receive an email and a confirmation message on the next page, saying that your account is created in Queensland library blah blah blah.
12. Now visit this link:
    https://www.slq.qld.gov.au/research-collections/information-collections/eresources/lyndacom#offsite-new
    Scroll down and click on OFFSITE AND NEW TO **LYNDA.COM** and follow the steps given on it.
13. After following all steps correctly, you'll able to create the Lynda account.
14. Now Once you successfully create the account, you don't have to use the State Library link to log into your account, Just directly go to **Lynda.com** and log in by entering your email ID and Password. **That's the TWIST!** 😉 **CONGRATULATIONS YOU HAVE 2 YEAR VALID FREE LYNDA ACCOUNT.** 🙂

Yeah, buddy, why sell something when you can get it for free. I won't blame the sellers, I myself got an account like this by paying $5 😃 but I figured it out, and the method is out for everyone.
